

We can find God at church for sure.
Where else can we find God? EVERYWHERE!!
Let's see how many ways we find God in nature.

Go outside and see what you can find in your own yard that makes you think of God.

If it is sunny - wear a hat and sunscreen!

If it is cloudy - you may want to still put some sunscreen

If it is rainy - wear some mud shoes/boots and maybe a hat to keep the rain out of your eyes.

If it is storming - stay inside!

You may write down what you find or take pictures of what you find.

When you first walk outside, find a spot you like and just stand there and take a deep breath. Now, look around you. Take your time. Notice everything.

Then say "Thank you God for making this world just for me!"

Now let's start our hunt for finding reminders of God - they are all around us! You may even want to list/take pics of more than one item. There are signs of our God all around us! See how many of these you can find.

- Find something that makes you think about how God made beautiful things for you to see.
- Find something that makes you think about how God made lovely smells for you to enjoy.
- Find something that shows how creative God is.
- Can you find something that makes you think God has a sense of humor?
- Do you see anything that makes you think about how God likes simple things?
- How about something that makes you think about how God also likes complex things?
- Locate items that help you remember that God made the colors of the world;
Find something:
 - Red
 - Green
 - Yellow
 - Blue or Purple
 - Did you find something in a color not listed?

Now, let's do some hunting that reminds us of scripture (words from The Bible).

John 7:37 says, **"...If anyone is thirsty let him come to me and drink..."**

This means that Jesus is like water for our souls. He can nourish us like water nourishes our body.

Can you find something that reminds you that Jesus is our Living Water?

Psalms 62 says,

"He alone is my rock and my salvation; he is my fortress, I will never be shaken."

This verse is telling us that God is the strong rock we can stand on that will keep us from falling.

Find something that makes you think about how strong God is and how he is our rock.

1 John 4:19 says, **"We love because he first loved us."**

He loves ALL of us - EVERY SINGLE ONE of us! How awesome is that?!

Find something that reminds you that God is full of Love.

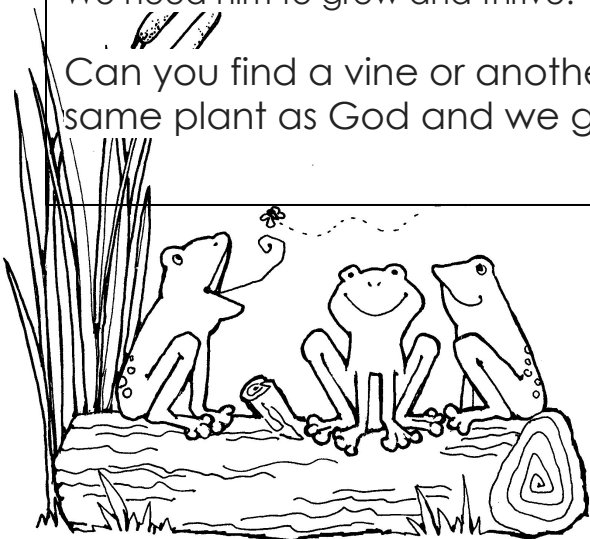

(Maybe you can find a heart shape).

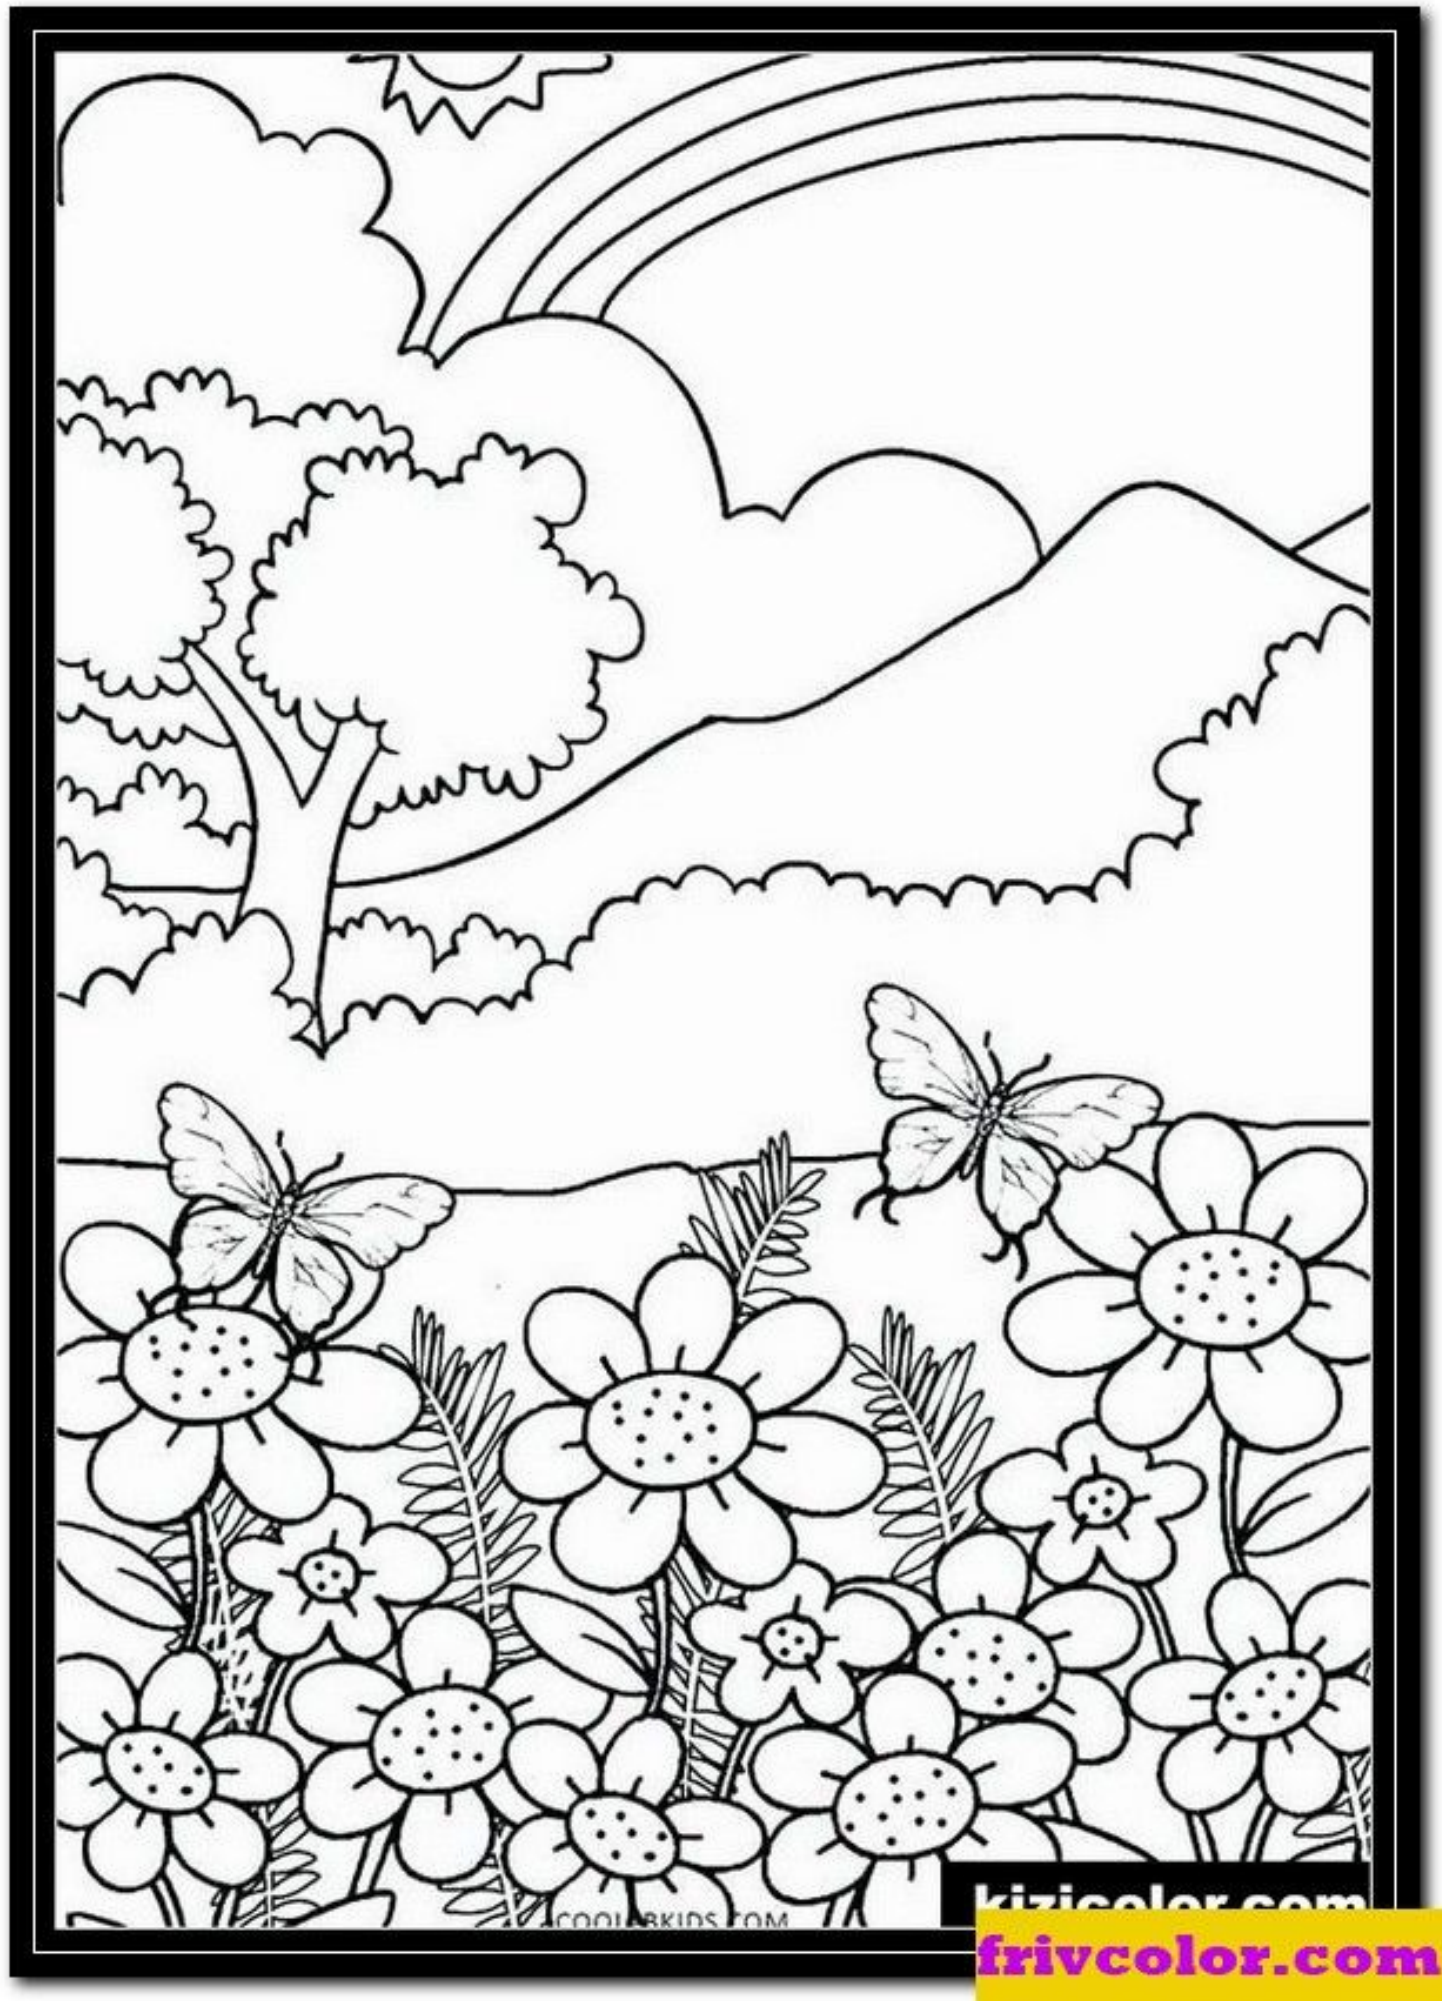

John 15:5 tells us that Jesus said, **"I am the vine; you are the branches."**

Here we are told that God is our support and we grow off of him, like a branch.

We need him to grow and thrive.

Can you find a vine or another item that reminds you that we are part of the same plant as God and we grow from him?
